The term "Cumulative Maximum Annual Maintenance Assessment Amount" shall mean the maximum accumulated amount the Board of Directors could have assessed and charged Affected Lots and their Owners as an Annual Maintenance Assessment in any given year regardless of whether or not the Board of Directors in fact assessed such amount against the Affected Lots. The cumulative Maximum Annual Maintenance Assessment Amount shall increase automatically by twenty percent (20%) over the prior year's Cumulative Maximum Annual Maintenance Assessment Amount and shall continue to accumulate each year without any action of the Board of Directors. For example, the Cumulative Maximum Annual Maintenance Assessment Amount for the year 2018 shall be \$1,020.00; the Cumulative Maximum Annual Maintenance Assessment Amount for the year 2019 shall be \$1,224.00, and the Cumulative Maximum Annual Maintenance Assessment Amount for the year 2020 shall be \$1,468.00. Any increase in the rate at which each Affected Lot subject to assessments, including the Annual Maintenance Assessments, Special Maintenance Assessments and Road and Storm Water Drainage System Maintenance Assessments, will be assessed, and whether such assessment shall be payable monthly, quarterly or annually, will be determined by the Board of Directors of the Harbor Lakes Master Association, subject to the limitation set forth herein. The Annual Maintenance Assessment may be adjusted up to the applicable Cumulative Maximum Annual Maintenance Assessment Amount from time to time by the Board of Directors as the needs of the Association may, in the judgment of the Board of Directors, require. Except as set forth above with respect to an Affected Lot owned by Declarant or successors-in-interest to Declarant (regardless of class of membership), the assessment for each Affected Lot shall be uniform. The Harbor Lakes Master Association shall, upon written demand and for a reasonable charge, furnish a certificate setting forth whether or not the assessment has been paid for the assessment period.

(b) Purpose of Maintenance Assessment Fund. The Association shall establish a Maintenance Assessment Fund composed of the Owners' Annual Maintenance Assessments and shall use the proceeds of such fund for normal, recurring maintenance charges related to the Maintenance Areas. The Maintenance Association may, but is not required to, establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of grass, trees and shrubs within the Maintenance Area. The fund may be established and maintained out of regular Annual Maintenance Assessments. Declarant has the right, but not obligation, to separately contract and pay for mowing, watering and lawn care on all or any of the Affected Lots owned by Declarant on which no Unit is constructed.

(c) Special Maintenance Assessment for Nonrecurring Maintenance. In addition to the Annual Maintenance Assessments authorized above, the Association may, by a vote of two-thirds (2/3) of the total votes, in the aggregate, of the Association members, in the aggregate, who are voting in person or by proxy at a meeting called for this purpose, levy Special Maintenance Assessments as follows: in any assessment year, a Special Maintenance Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance upon the Maintenance Area. annual road and storm water drainage system maintenance assessment (the "Road and Storm Water Drainage System Maintenance Assessment") of \$500.00 per annum commencing in year 2017; provided however, that the annual Road and Storm Water Drainage System Maintenance Assessment may not be increased by the Board of Directors of the Association each year by more than twenty percent (20%) above the Cumulative Maximum Annual Road and Storm Water Drainage System Maintenance Assessment Amount (as hereinafter defined) for the prior year without the necessity of a vote of the members of the Association in accordance with the By-Laws of the Association. The term "Cumulative Maximum Annual Road and Storm Water Drainage System Maintenance Assessment Amount" shall mean the maximum accumulated amount the Board of Directors could have assessed and charged Affected Lots and their Owners as a Road and Storm Water Drainage System Maintenance Assessment in any given year regardless of whether or not the Board of Directors in fact assessed such amount against the Affected Lots. For example, the Cumulative Maximum Annual Road and Storm Water Drainage System Maintenance Assessment Amount for the year 2017 shall be \$500.00; the Cumulative Maximum Annual Road and Storm Water Drainage System Maintenance Assessment Amount for the year 2018 shall be \$600.00, and the Cumulative Maximum Annual Road and Storm Water Drainage System Maintenance Assessment Amount for the year 2019 shall be \$720.00. The Association shall create a fund to be designated and known as the "Road and Storm Water Drainage System Maintenance Assessment Fund". The Annual Road and Storm Water Drainage System Maintenance Assessment will be paid by the Owner of each Affected Lot (except as set forth below), commencing as to an Affected Lot on the earlier to occur of (i) after the conveyance of such Affected Lot to a Class A member by Declarant or by another Class B member; (ii) completion of a Unit on such Affected Lot owned by a Class A member; or (iii) issuance of a certificate of occupancy for the Unit; however, no Affected Lot owned by Declarant, successors-in-interest to Declarant (regardless of whether Declarant or successors-in-interest in subsequent years.
